I am hoping for a special alumni pep rally one evening, but that will be up to the cheer sponsor.

We will recognize former players, students, and faculty in the stands.

We would like to have alumni cheerleaders on the field with current cheerleaders and to have former Homecoming Queens on the field to be recognized along with the new court. We need someone to organize the cheerleaders and HC queens.

*We are also looking at inviting alumni to the regular pep rallies and reserving the balcony section for them.

*Plans for some sort of an art search are being worked on

*We are going to contact the RSA buildings downtown to request blue/gold lighting, but in the past this has not been accommodated.

*I would like to do a special day of some sort where tours of the school are offered and the band, choir, and cheerleaders are involved for entertainment. No plans have been made for this yet.
